

- Use this form to document all medication administered in the child day program.
- This form must be kept with the child’s medication consent form.
- Any medication errors (such as incorrect dose given) must be documented on the back of this form **and** on the MAT Medication Error Reporting Form.
- If the child refuses or vomits up a dose, this is not a medication error, but the missed dose should be documented on the back of this form and the parent should be notified.
